SUGGESTED PULPIT ANNOUNCEMENTS
Announcement Weekend of May 8-9, 2010

Happy Mother's Day! This week in the mail you should have received some information about the 2010 Spring Combined Collection. Although we will be taking up a collection next weekend, we wanted to remind people that one of the best gifts we can give a mother is to help her children. The Spring Combined Collection is dedicated to helping all of God's children, everyday! Please take a pledge card today and give the ultimate gift, the gift of hope, in honor of your mother! Happy Mother's Day!

Commitment Weekend of May 15-16, 2010

This weekend we are invited to share our love of the Lord by supporting the Spring Combined Collection. The collection supports four very important Catholic ministries including: Catholic Campaign for Human Development, Catholic Relief Services, Catholic Communication Campaign, and Peter's Pence.

All donations are greatly appreciated and additional materials are available here at church. All parishioners are encouraged to consider a monetary donation to this collection, but if you are unable, please consider saying a prayer, taking time to learn more, or simply be aware of how you speak about the underprivileged. Thank you and God Bless!
