"God of the Hungry"
by Scott Soper

God of all the hungry millions, God who suffers with the poor
still our greed keeps us from sharing with the hungry at our door.
All who thirst will thirst no longer when we do as you would do.
May we care for all your people, help us know that they are you
help us know that they are you.

God who travels with the stranger, greeted by our apathy
teach us to embrace all people, all can live with dignity.
You have bid us clothe the naked, bringing hope in all we do.
May we welcome all your people, help us know that they are you
help us know that they are you.

God who loves the sick, the dying, they are precious in your sight
we will bring them your compassion, fill their living with your light.
God who brings the captive freedom, free our hearts to love anew.
May we comfort all your people, help us know that they are you
help us know that they are you.
