"The Church never tires of singing the glory of this night:

The Virgin today brings into the world the Eternal

And the earth offers a cave to the Inaccessible.

The angels and the shepherds praise him

And the magi advance with the star,

For you are born for us, Little Child, God Eternal."

(Cf. Catechism of the Catholic Church, 525).

All liturgical ministers are invited, especially those involved in the preparation of these Seasons, as well as all those interested in learning more of the spirituality of this celebration; all those involved in Prayer Groups, Movements, Youth Groups and Parish Devotions, as well as the students seeking the Specialization in Liturgy/Advanced Program.

Just as we celebrate Easter as the greatest and oldest Christian feast of Christ's Resurrection from the dead, and Christians prepare for it during Lent and Holy Week, the Church also celebrates the liturgy of Advent each year, making present the ancient expectancy of the Messiah. By sharing in the long preparation for the Savior's coming (*during the four weeks of Advent*) Christians renew their ardent desire for his second coming. (*Cf. Catechism of the Catholic Church, 524*).
