Re: Ukraine Relief

All of us have seen the unjust war taking place in Ukraine. We have seen the thousands of women and children fleeing to neighboring countries to escape the scourge of war. The men left behind are defending their country to the best of their ability.

We join Christians and all people of good will in praying for these victims. Bishop Alberto Rojas is asking every parish to take a second collection either the first or second Sunday of Lent to aid the suffering people of Ukraine.

Please send these funds to:

**Mission Office
Attn: Ukraine Relief
1201 East Highland Ave
San Bernardino, Ca 92404**

Please write on the memo line on the check: Ukraine Relief. Once all the funds have come into the Mission Office, we will forward one check to the USCCB where it will be distributed to the 30 Diocese in and around Ukraine.

Finally, please pray for an end to all war and violence throughout the world. May you have a holy and grace filled season of Lent and that we will all be able to celebrate Easter in Peace.
